REACH Statement

To whom it may concern

Date: 23.Mar.2011

REACH is the European Community Regulation on chemicals and their safe use (EC 1907/2006). It deals with the **R**egistration, **E**valuation, **A**uthorisation and Restriction of **C**hemicals substances and entered into force on 1 June 2007.

ETIMEX supports the basic aim of REACH in improving the protection of human health and the environment through the better and earlier identification of the intrinsic properties of chemical substances. ETIMEX meets all applicable REACH requirements and is committed to provide our customers with information about substances in its products as required.

ETIMEX is a producer of plastic packages based on different polymers. Polymers are exempt of registration, however, their raw materials must all be registered.

ETIMEX products are "articles" as defined in REACH Article 3(3) and do not release substances under their normal use. Suppliers of articles must provide recipients with information on Substances of Very High Concern (SVHC) if those are present above a concentration limit of 0.1 % on an article level.

For more information about REACH please visit the European Chemicals Agency organization website <http://echa.europa.eu>
