

#### NEW SALES MANAGER RIGID CONTAINERS D-A-CH

ETIMEX Primary Packaging GmbH has strengthened its team at the Dietenheim site with a new Sales Manager for the D-A-CH region. Hermann Daffner has been enhancing our sales team starting July 1<sup>st</sup>. 2018 who brings many years of experience in high-quality plastic packaging for trays and films.

With Hermann Daffner ETIMEX can state a well-known and proven expert in the packing industry. He has more than twenty years of sales experience in CPET, PP and APET trays for ready meal applications. „The support of Hermann Daffner is an absolute win for us! National, and International.

His well-grounded expertise as well as his established network in the industry will enable us to further expand our customer base across Europe „, says Martin Rank, Head of Sales & Marketing at ETIMEX.

The ETIMEX Primary Packaging GmbH develops and produces films and containers made of different plastics for packaging solutions in the food and pharmaceutical industry as well as films for technical applications
